### Exciting News

Wine Country Baseball, a new NPO to the area has partnered with the  
**HEF !**

WCB is a new baseball League to the area intent on giving back to the local communities constituting Wine Country.

In fact,

A majority of funds raised from the leagues games being held at local community fields will be donated straight to local Charities like the Healdsburg Educational Foundation. The **Healdsburg Owls**, your local team will be playing several games at REC park and Healdsburg high school this summer. Proceeds from theses games are already designated for use by the HEF.

Better yet, tickets are cheap and the league is family friendly. What could be better than picnicking with friends and family while watching Old Fashioned Baseball on a beautiful summer night in wine country?  
Games start in June!
