For Immediate Release

On June 14th, Affronti Courtyard Dining & Wine Bar hosted a reception to announce its new Business Partnership with the Healdsburg Education Foundation. Affronti Restaurant will now be donating a portion of corkage fees to the Healdsburg Education Foundation for Music and Arts Education in the Healdsburg area public schools. As of June 1, 2010, Affronti will donate \$5 of its \$15 corkage fees to reinforce the restaurant's commitment to cultivate arts and music in our community. Affronti presently hosts jazz music every Thursday and during brunch on Sundays. Mr. and Mrs. Gordon, the Affronti Restaurant Partners, are excited to fund music and art for the children of Healdsburg.

For more information on how to support Music and Arts programs and our local public schools, please contact HEF Director Pamela Swan, 433-1223 or pswan@hefschools.com.
