20th Historic Healdsburg Homes Tour

On Sunday, May 2, 1 p.m. – 4:30p.m., enjoy a beautiful spring day walking around Healdsburg's historic district on a self-guided tour of six of the town's finest homes. Each year this popular walking tour and raffle helps the American Association of University Women support scholarships for women and funding for the **Healdsburg Educational Fund (HEF) for teacher mini grants**, which provide funds for instructors to pursue innovative teaching projects and programs.

An added bonus this year... with your homes tour wrist band, enjoy the **Cabin to Craftsman** display of our town's 100 year old homes at the Healdsburg Museum and gratis tasting at Rosenblum Cellars.

Guests will check in at the Healdsburg Museum, at the corner of Matheson and Fitch Streets from 11:30 a.m. – 3 p.m. Tickets are \$35.00 in advance and \$40.00 day of the tour and are available online at www.healdsburgaauw.com, the Healdsburg Museum, at Levin & Company, or by mail (with a check payable to AAUW, P.O.Box 1064, Healdsburg, CA 95448).
